China Tours in Beijing 2015: Cultivating the Practitioner

After a high demand from practitioners met during my Teaching tour across Europe in 2014, we have organized a **Health Cultivation Tour in China in 2015**.

This tour is for practitioners who wish to learn about the classical understanding of qi in a clinical setting while learning various practical ways to protect themselves, stay energized and increase their needling skills for their busy Chinese medicine clinic.

During their 2-week stay, participants will learn the **Standing practice of Tai He**, the **Daoist sitting practice of Xian Tian** (pre-heaven practice) as well as some internal **arts of health cultivation** with

standing and walking practice of Ba Gua Zhang.

In addition, participants will also learn the classical acupuncture technique of **Yuan qi Acupuncture**, **five different moxa techniques** used in treatment of diseases and health cultivation as well as **classical pulse taking**.

Participants will live in shared apartments. Maximum of 20 people are accepted.

2 weeks practice for 1500US\$

Clinical Tours in Nanjing: Acupuncture and Moxa with Dr. Tao Kun, November 2015

Many practitioners would love to come to China to study from an experienced doctor and actually learn valuable skills to bring back home.

After living in China for 14 years, we understand the need for organizing proficient courses with great translation and active clinical practice.

Every year we organize a 2-week clinical tour with Dr. Tao Kun in Nanjing. Dr. Tao is one of the famous doctors of China with 60 years of practice. He treats over 50 patients a day who all receive acupuncture and moxibustion treatments. This includes various complex cases such as paralysis, hemiplegia, sciatica, herpes zoster, tinnitus; internal disorders such as gastritis and nephritis; gynecological disorders such as dysmenorrhea, infertility and so on.

In addition to the clinical practice, you will also receive courses on needle roller treatment, tongue mapping scalp acupuncture, moxibustion massage and advanced needling techniques.

Living arrangements are organized for you and a weekend tour to the Yellow mountain will also be organised.

1500US\$ for tuition, Nov. 16th to 27th 2015
